

Update us so we can update you

LOICZ IN PRINT informs you about the LOICZ Project and its activities. But LOICZ has access to much more information and wants to make this information available to you as effectively as possible. To be able to provide you with LOICZ information that fits your expertise and interests most, we need input from your side, telling us what your interests in LOICZ are and how we can contact you.

Please complete the following form where applicable and return by fax, post or email to the LOICZ IPO.
